# LORD, I NEED YOU

3-5 octaves

RP7527

Based on an old hymn, this praise song is being used around the world, and this lovely setting captures it well. The few 16th note patterns are repeated several times, and the malleted notes add energy to the bridge. If you don't know this song, look it up - the lyrics are beautiful and meaningful.

# 10,000 REASONS

3-5 octaves Handbells or Handchimes  
RP7522

arr. Bill Ingram

Level 2

\$4.95 \$4.46

This hymn-like ballad by Jonas Myrin and Matt Redman is one of the most popular new praise songs released in some time. This arrangement by Bill Ingram is presented in the key of F-major and with the lyrics inserted; it would be very easy for a soloist or the congregation to sing along. Find the tempo that works best for you, but be careful not to rush through it. Be gentle with the marts.

Arranged by BILL INGRAM (ASCAP)

With bellings  $\text{♩} = ca. 94$

1 heard the bells on Christmas Day  
their old, familiar carols  
in my heart I heard the bells  
that tell of peace on earth, good will to men,  
and heralding the King of Kings  
and the bells are ringing  
like a choir singing  
Peace on earth, good will to men,  
There is no peace on earth, I said,  
For hate is strong and reaches far  
They ring the bells, some loud and deep,  
And in my heart, one bell  
the wrong that falls, the right you seek  
with ringing
