Christmas for One is a collection of five handbell solos with piano accompaniment, with a varying mix of pop holiday standards, secular tunes, and sacred selections. The moderately-easy difficulty level for both the handbell solo and piano accompaniment parts was designed to keep the musicians' needs in mind: fun Christmas solos that require minimal rehearsal time and are performance-ready in the snap of a finger!

With a vast range of musical styles, from lyrical and legato, to light and cheerful, and even upbeat and showtune-like, it is my hope that this collection serves as a fun and accessible go-to resource during the Christmas and holiday season.

Happy ringing!
