For bell tree ringers new to playing with 4 mallets. Although both hands hold two mallets, this simple piece has the two-mallet hand playing only on one side of the bell tree at a time. Other techniques are reduced to a minimum. It uses just two bell tree strings and no sharps or flats. This piece can be performed in a secular or a sacred setting. The keyboard part and a pullout solo part are included.

Bell Tree Descant to Easter Song

arr. Barbara Brocker

3-4 oct Bell Tree descant
MTO106

Rating: Easy-Med
~~\$4.95~~ \$4.46

This bell tree descant to the familiar tune "Jesus Christ Is Risen Today" (also "Christ the Lord Is Risen Today, Alleluia") adds to the special excitement of Easter Sunday's opening hymn. Just when your choir can't add "one more piece" to its Easter offering, one ringer can add that extra zing when bells play with congregational singing. This descant can be used with the same hymns found in the Lutheran, Episcopal, Methodist and Presbyterian hymnals.

Bell Tree Keyboard Manual

Barbara Brocker
MTO117

REPRODUCIBLE Text
~~\$29.99~~ \$26.99

The purpose of this "how-to" manual is to provide an opportunity for the ringer to play the bell tree keyboard by following the steps in the manual. It is not intended to be a manual to teach basic music reading. It is for the ringer who would like to explore a different aspect of ringing. A "keyboard" setup is not needed for every piece of bell tree music played; however, you can use the bell tree keyboard concept as a starting point. The more connections you can make to a standard set up, the quicker the learning process becomes.

Sections include: Building a Bell Tree, Building a Bell Tree with sharps and flats, Adding Bass Bells, Adding Upper Treble Bells, Playing with Two Mallets in One Hand, and Equipment Needed.
