# Hymn Descants for Ringers and Singers

**H**ymn Descants for Ringers and Singers is a wonderful and flexible worship resource that provides fresh opportunities for programming with handbells, singers, and keyboard. The collection is presented in four volumes focusing on seasonal applications:

- **Volume I:** Advent, Christmas & Epiphany
- **Volume II:** Lent, Holy Week & Easter
- **Volume III:** All Saints', Ascension, Christ the King, Communion, Pentecost, Reformation & Trinity Sunday
- **Volume IV:** Patriotism, Stewardship & Thanksgiving

Each volume contains 10 tunes arranged for 3-octave handbells. Each tune was selected based upon its appropriateness to both festal days and special events in the church year as well as to its common usage in most major denominational hymnals. The handbell arrangements may serve as hymn introductions, interludes, postludes, or accompaniments. The rich harmonizations are based upon the standard harmonic structures of each hymn, enhancing them without straying too far afield. Thus, they may be used to accompany hymn singing, inspiring rather than intimidating the average congregant. These arrangements may also be performed as separate handbell pieces without singing.
