Welcome Back!

As we finally turn the page on 2021 and enter 2022 there is hope for a ringing future. Handbell Choirs have been getting back together, practicing and performing. Groups are touring the country again. Concerts in schools, churches, shopping malls, and many other places are showing the spirit of Handbell Ringers. They are back and ready for a new year. A new Spring of Easter concerts, end of school year concerts and many more.

The Handbell Musicians of America are preparing for their main event in the summer. This year the National Seminar Experience! (July 31-August 1) is combined with the International Handbell Symposium (August 1 – August 6) in Nashville, TN. This is the first time since 2008 that the International Symposium will be in the USA. If you are able to attend come by and see us in the Handbell Commons area.

AGEHR Publishing has recently ended their distribution arrangement with Lorenz after many decades. This gives HMA more control over their catalog. We are committed to working with them to make sure the entire AGEHR Publishing catalog is available to our customers.

Working with Margaret Gumma we recently signed a distribution agreement to make the Psalter Music catalog more available to everyone. With help from Barbara Bocker we are now going to be able to keep the music of Louise Frier, Vic Gumma and others active for a long time to come. While the music may be older it is no less relevant, especially the belltree music.

Celebrating Grace has allowed us to carry their handbell music. This is a catalog with music from many of your favorite composers and arrangers. We currently have the entire Spring 2022 release available. Keep an eye out as we add more from their catalog to HandbellWorld.com.

Speaking of new music... Take a moment and stop by and check out the new promotions from different publishers. HandbellWorld.com/Scorebook pulls them all together in one location for your convenience.

I had a moment where a thought popped into my head. Who is the Patron Saint of Handbells. So I turned to the internet of course to ask that question. And I found an answer at The Accidental Ringer* blog The blog lists two saints of bellringers.

St Dunstan is venerated as the patron saint of smiths, bellfounders and bellringers.

St Agatha of Sicily. There is even a "Guild of St Agatha's, a specifically Catholic organisation which seeks to promote contact between Catholic bellringers and other bellringing organisations at national and local levels."

If you want to read more visit the blog. dingdong887180022.wordpress.com/2018/10/13/the-importance-of-st-agatha

A final note. We are working to keep handbell music, supplies, and equipment in stock. This is a constant struggle as we work with vendors to get the products. And they are trying to keep their components in stock. Be assured that we are working to minimize the disruption to you.

BELL TREE KEYBOARD MANUAL BY BARBARA BROCKER

The purpose of this "how-to" manual is to provide an opportunity for the ringer to play the bell tree keyboard by following the steps in the manual. It is not intended to be a manual to teach basic music reading. It is for the ringer who would like to explore a different aspect of ringing. A "keyboard" setup is not needed for every piece of bell tree music played; however, you can use the bell tree keyboard concept as a starting point. The more connections you can make to a standard set up, the quicker the learning process becomes.

Here is the first in a series of collections for bell tree soloists with piano accompaniments. Set 1 features solos for spring seasons, and includes music for Lent, Easter, Pentecost, and general use. These accessible solos range from 2 to 3 octaves, and are also playable from the table with a few modifications. Included in the collection are "Abide with Me" (EVENTIDE), "My Song Is Love Unknown" (RHOSYMEDRE), "He Is Risen, He Is Risen!" (UNSER HERRSCHER), "Good Christian Friends, Rejoice and Sing!" (GELOBT SEI GOTT), and "Spirit of God, Descend upon My Heart" (MORECAMBE). "Abide with Me" includes an optional part for flute.

Anna Laura Page's masterwork has been arranged for solo bells and piano! The handbell part may also be played on a bell tree if you have one.

Hyfrydol

arr. Louise Frier

4 Octaves · Rating: Easy

MPSBP05

When paired with the text "Come, Thou Long-Expected Jesus", the hymn tune HYFRYDOL is especially appropriate for the Advent and Christmas seasons but is also useable throughout the church year when paired with other well-known texts. This arrangement is particularly versatile, with multiple options for performance based on the number and skill of the ringers available.

"Learn on Tuesday – Play on Sunday!" During this time of worldwide viruses, church musicians have been challenged with coming up with music for online services weekly without a vocal choir or a bell choir present. This collection utilizes familiar, simple tunes with interesting accompaniments. The ease of preparation makes this collection perfect for the beginning bell tree ringer and ideal for churches preparing for virtual services.

Jesus Loves Me

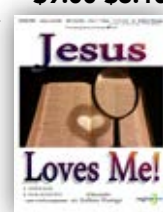

arr. Kathleen Wissinger

2 - 3 Octaves · Level: 1

MRE5604ABR

~~\$9.00~~ **\$8.10**

Introduce an aspiring ringer to Bell Tree or solo/duet ringing with this very easy, straightforward 1 octave rendition of Jesus Loves Me. It is accessible for 1, 2 or 3 octaves thanks to five score formats: "A1" for G5-G6 (2 oct. – my favorite set-up), "A2" for G4-G5 (2 oct. – most likely rung off the table), "B1" for C6-C7 (3 oct. – the "standard" belltree set-up), "B3" for C5-C6 (1 oct.), and "B4" for C4-C5 (to ring off the table). All BT scores can also played as Early Beginner piano scores – and each range has a very easy piano accompaniment ("A2" and "B2") allowing 2 young musicians to successfully collaborate in worship or concert. The secondo "piano" parts can also be played on bells or chimes by an ensemble to accompany the soloist. A trio or sextet could ring from all three C-C scores (or a duet/quartet on the two G-G scores) sharing their top/bottom bells with each other. All scores are reproducible to allow for individual marking and practice at home, if needed.

HANDBELLS BY WHITECHAPEL

each bell contains more metal in the casting, producing a full rich sound • tuning of the bell creates a dramatically pleasing tone (each set is regarded as a single instrument and tuned as such) • quality of the casting and internal mechanism makes it possible to create a range of sound from soft to loud that no other handbell can replicate • the character of every set is recorded and kept so that future additions may be perfectly blended • smooth clapper mechanism means you only hear the bell, not any off sounds coming from the mechanisms- they only produce clear, rich ringtones!

Tower Swings and Echos
provide warmth and tenderness
to this arrangement of the

reversed PASSION CHORALE. At Level 1+ it is
attainable by any ensemble but even groups
with more experience will find a challenge in
perfecting the musicianship of their techniques.
The two versions are compatible, making this a
great choice for festivals, concerts, and events
with multiple groups.

Unlike most original handbell compositions,
"Calvary Melody" is a Level 1+ piece. And
while quite accessible for any ensemble,
this thoughtful and tender work is worthy of
more advanced groups when subtle dynamic
changes and careful attention to the melody
are performed. The imagery portrayed by
this poignant music brings us to Calvary and
enables us to reflect inward during Lent. The
two versions are compatible for use at festivals,
concerts, and events with multiple groups.

New Music for Spring 2022 from

Bellprints Handbell Ensemble is a handbell quartet consisting of four outstandingly brilliant and vibrant musicians: Jessica Lok, Christine Chan, Phoebe Yeung, and Janice Lai. Jessica, Christine and Phoebe met at Concordia University in Concordia, Wisconsin, where they studied under the internationally renowned Dr. John A. Behnke.

We Three Kings

Arr. Jessica Y. H. Lok
4 Octaves • Easy Medium

Rating

MBHS2104 ~~\$4.95~~ \$4.21

For this arrangement of the popular Christmas carol, Jessica Lok chose 6/8 time to

give a new flavor to the piece. She integrated various contrasting techniques such as TD, LV, RT, vibrato, and martellato along with a subito tempo change to fully engage the performers and provide visual and auditory effects for the audience.

What Child Is This?

Arr. Gloria M. Axelson
4 Octaves • Easy Medium

Rating

MBHS2102 ~~\$4.95~~ \$4.21

This well-known, lyrical Christmas carol is also known by the traditional

name "Greensleeves". For this handbell quartet arrangement, different techniques are incorporated to showcase the musicality of each ringer as all four parts pass the melody and accompaniment between them.

It Came Upon the Midnight Clear

Arr. Phoebe T. T. Yeung
4 Octaves • Medium Rating

MBHS2109 ~~\$4.95~~ \$4.21

"It Came Upon the Midnight Clear" lyrics were written by Edmund Sears in 1849

and set to music in 1850 by Richard Storrs Willis. Phoebe Yeung has arranged this carol as a handbell quartet using singing bells and suspended mallets at the beginning to accentuate the silence of a starry night. In the middle of the piece, the melodic line is transferred from the bass ringer to the top ringer, with the other ringers using a 4-in-hand technique to play the accompaniment.

Jingle Bell Calypso

Arr. Christine Y. K. Chan
3-4 Octaves • Medium Rating

MBHS2106 ~~\$4.95~~ \$4.21

This is a very cheerful arrangement of the familiar Christmas song "Jingle Bells". The arranger brings this

joyful tune from a wintry Christmas to glorious Summer. The audience will enjoy the essence of an extraordinary Christmas experience through this fast, vibrant, and vivid piece. The key element to moving this piece forward in a dance-like manner is the syncopated rhythm. The RT technique is particularly effective to emphasize the contrast between a rung sound and a stopped sound.

Fun With Chopsticks

Arr. John A. Behnke
3-4 Octaves • Medium Rating

MBHS2101 ~~\$4.95~~ \$4.21

"Chopsticks" was written for piano in 1877. The title came from a performance suggestion made by the composer:

'Play both hands turned sideways, so that the movement of the hands imitates the chopping from which this waltz gets its name'. "Fun With Chopsticks", arranged for handbell quartet by John Behnke, takes you on a fun musical journey where the melody is played in both high and low bells, in a minor key, with mallets, and with a fun, surprise ending. It's sure to delight the listeners and the ringers alike.

Santa Lucia

Arr. Christine Y. K. Chan
4 Octaves • Medium Rating

MBHS2107 ~~\$4.95~~ \$4.21

"Santa Lucia" is a traditional Neapolitan song. In this arrangement for handbell quartet, Christine Chan has R1

& R2 using two simultaneous techniques (mallet roll and shake) to imitate the sound of a ukulele. After a short transition, the tune is played by R1 while R4 utilizes a TD/shake combination, which suggests an echo of a mallet roll. Each ringer has a chance to play the melody using different techniques to show the uniqueness and variations of the piece.

The Entertainer

Arr. Jessica Y. H. Lok
4 Octaves • Med Adv Rating

MBHS2103 ~~\$4.95~~ \$4.21

"The Entertainer" is the first in a series of Scott Joplin pieces arranged for handbell quartet by Jessica Lok. The entire piece is performed using

mallets with a few martellato lifts in the middle to create contrast and bring excitement to the piece. This is a challenging arrangement due to the tempo and key changes which emphasize the dexterity of ringing.

Hungarian Dance No. 5

Arr. Phoebe T. T. Yeung
4 Octaves • Advanced Rating

MBHS2108 ~~\$4.95~~ \$4.21

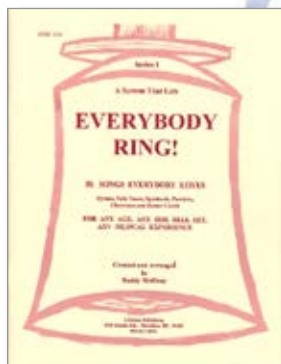

This classical piece by Johannes Brahms is arranged for handbell quartet by Phoebe Yeung. Ring, TD, and mallet

techniques are clearly designated for each ringer and highlight the various tempo changes throughout the piece. When all four ringers are malleting, it is as though 8 mallets are dancing on the table. The tempo and key changes make this a challenging selection.

**Riposo (Rest. My Soul)**

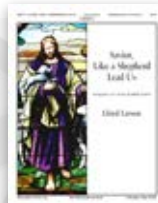

By Linda Scholes

3 - 5 Octaves • Level: 2+

MBEHB736 ~~\$4.95~~ \$4.21

This tender original tune is a beautiful musical statement. The simple, lyrical melody is given delicate underscoring

with lush chords, and the melody moves throughout the ensemble, giving all ringers a chance to shine. The energy builds to a bold final verse underscored by full, malletted chords in the bass.

**Savior Like A Shepherd Lead Us**

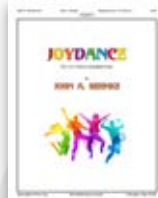

Arr. Lloyd Larson

3 - 5 Octaves • Level: 3-

MBEHB737 ~~\$4.95~~ \$4.21

This arrangement, dedicated to a handbell choir director for more than thirty years of

leadership, is an idyllic choice for use in worship. Combining the Bach chorale "Sheep May Safely Graze" with the hymn tune BRADBURY, it masterfully alternates between the two tunes. A final bold setting of the hymn tune leads the piece back once more to a calm, serene ending.

**Joydance**

By John Behnke

3 - 5 Octaves • Level: 3+

MBEHB733 ~~\$4.95~~ \$4.21

**Do Lord**

Arr. Sondra Tucker

3 - 5 Octaves • Level: 3+

MBEHB727 ~~\$4.95~~ \$4.21

A delicate and gentle introduction gives way to an energetic and upbeat setting of the well-known

song, accompanied with malletted and thumb damped bells. A chordal verse replete with rich harmonies gives a brief respite from the driving accompaniment before the energy returns to propel the piece home to an exciting conclusion!

**Low In the Grave He Lay**

Arr. Brian Childers

3 - 5 Octaves • Level: 3+

MBEHB735 ~~\$5.95~~ \$5.06

Deep haunting harmonies open Brian Childers' setting of this well-known Easter hymn. The tune first receives

a treatment in minor with flowing chords before an intense driving section sets up the triumphant transition to major. The rhythmic feeling continues on through the glorious conclusion.

By Linda Scholes

3 - 5 Octaves • Level: 3

MBEHB738 ~~\$4.95~~ \$4.21

This original tune is triumphant, indeed! With prominent syncopation and bold chords throughout, it sets a joyous and celebratory mood from the outset.

A slower, more thoughtful section featuring chimes and light malletted bass bells offers a nice textural contrast before a return to the opening figure and feel, which rounds out the piece on a bold celebratory note.

**Carillon Passacaglia**

The Irish melody CLONMEL is treated in Celtic styles, with singing bell drones, a lilting original melody, optional handchimes, and an optional part for violin or other C treble instrument. The hymn is presented in a variety

of ways, from flowing and lyric, to a march, a round, then a grand and glorious final verse that gradually fades away across the hills. The Celtic-style ornamentation is optional, making this arrangement accessible to many groups. An optional title is "Thy Word Is Like a Garden, Lord". MCGB1216

~~\$5.95~~ \$5.06

Throughout all of life's trials, hope gives us the strength to rebuild and confidently reinvent our circumstances. "Rays of Hope" is an original piece for handbells that depicts the remnants of a storm that has passed, and then begins to hint

at the light that is coming to bring us a new day. The opening illustrates the passing unrest and gives way to a bouncy theme. A thoughtful middle section reminds the listener that uncluttered days are never a given and should not be soon forgotten. But hope does return with the theme to round out the ending of the piece. Techniques such as singing bell, suspended bells with mallets, thumb damp and LV are incorporated. The texture of the piece is further enhanced by the addition of chime tree, ocean drum and/or rain sticks and optional handchimes, all combining to add interest.

Intended for beginning conductors, this volume offers a conceptual approach to conducting rather than an imitative one. Students begin by building right-hand and then left-hand gestures and are provided with exercises designed to increase independence and expressiveness. Approaches to repertoire and programming are also introduced, as are score marking, rehearsal strategies and preparation, and singing technique.

Each of the more than thirty selections is accompanied by a brief note about the composer and the work, a translation of the text, and a short discussion of its conducting issues.

LET US HELP YOU DECIDE WHEN IS THE RIGHT TIME TO SERVICE YOUR BELLS!

No matter how diligent you are about caring for your handbells, like anything else mechanical, parts will eventually become worn, suffer reduced performance or lose their luster.

Some signs that it's time for your handbells to be professionally serviced:

- your bells seem harder to play
- they squeak/click/thud/clang/etc. when rung
- clappers feel "sticky" or "stuck"
- bells are harder to identify because of worn handles or handguards
- tarnish remains even after everyday cleaning/polishing

Worried About your bells being "away"?

We can schedule your service appointment up to a year in advance, leaving plenty of time to plan. You can even book during one of our discount periods to save!

DAMAGES/ERRORS

Please notify us immediately upon receipt of any damage or error in the order. Retain all damaged merchandise and packaging material for inspection.

CREDIT POLICY

We can establish open account orders for churches and schools. Please pay from the invoice, which is included in the package. We reserve the right to request credit references and to report credit information to credit bureaus. Terms are net 30 days. Accounts over 30 days will have finance charges of 1.5% per month (18% APR) added to the bill (min\$1.00 per month). In addition, if any account remains unpaid after 60 days from the invoice date, we shall hold future orders until the account is again current. Invoices not paid within agreed upon terms may be subject to a reversal of all discounts. Individuals and new customers, please send a check or money order. We also accept Visa, MasterCard, Discover and American Express.

SALES TAX

We reserve the right to add sales tax in all states without prior notice. Recent court decisions are allowing more states to require retailers to collect sales taxes. If your organization is exempt from sales tax in your state please provide us with your sales tax exemption form. Just providing an exempt number is not sufficient. This will allow us to update your account on our systems. If we do not have a sales tax exemption form on file we may be required to charge sales tax. If we do this tax will not be refundable.

We are currently required to collect sales tax for many states, and several do not have an exemption to sales tax for religious organizations. If you qualify for an exemption you may submit your tax exempt forms in any of the following ways:

Email: taxform@jhsbell.com

Fax: 803.781.3020 or 803.732.4435

Mail to: Jeffers Handbell Supply, PO Box 1728, Irmo, SC 29063-1728

Upload: HandbellWorld.com/TaxForm. If you prefer you may log into your HandbellWorld e-account and upload the file so it will be saved under your login.

MUSIC POLICY

The Jeffers Retail Music Department has one of the world's largest inventories of handbell music, containing the work of more than 100 publishers. Some of these companies print just a few titles; others print several releases each year. We stock all of this music to provide you with the fastest service possible; our goal is to get your order on its way in 24-48 hours. When we receive your call early in the day, your order is often shipped that same evening.

Music on Approval

Many directors need help selecting music. We are delighted to help with our Music on Approval program. Order the titles you would like to see. Review them and decide to keep, order more or return them. We ask that you include a copy of the invoice with all returns and pay for shipping both ways.

Music Discount

Most music up to 40% off retail price. There are no discounts on CDs, DVDs or videos. Equipment, supplies, software, and instruments are not subject to music discount.
