Bell Tree Keyboard Manual by Barbara Brocker

The purpose of this "how-to" manual is to provide an opportunity for the ringer to play the bell tree keyboard by following the steps in the manual. It is not intended to be a manual to teach basic music reading. It is for the ringer who would like to explore a different aspect of ringing. A "keyboard" setup is not needed for every piece of bell tree music played; however, you can use the bell tree keyboard concept as a starting point. The more connections you can make to a standard set up, the quicker the learning process becomes.

As a new Handbell or Handchime choir, what will we need?

Every group is unique; the answers depend on the group's size, ringers' ages and budget. Budgets should be developed to include not just the handbells, but also everything needed to use, care for, and enjoy them properly.

A typical Handbell choir list of accessories might include

- (Handchime list available at HandbellWorld.com/starterkit)
- Polishing cloths: 1 per ringer (everyday cleaning)
- Polish: for occasional deep cleaning
- Gloves: 1 pair per ringer
- Music Stands and/or Notebook Stands: 1 for every 1-2 ringers
- Tables: we recommend 29" or 30" height, with total length determined by number of ringers (20"-24" per ringer)

Foam pads: we recommend 4" thickness, with the length determined by the tables you select

Music: allocate at least \$150.00. Be sure to ask our customer support staff about our Handbell Music Package.

250 YEARS OF

Handbells by Whitechapel

each bell contains more metal in the casting, producing a full rich sound • tuning of the bell creates a dramatically pleasing tone (each set is regarded as a single instrument and tuned as such) • quality of the casting and internal mechanism makes it possible to create a range of sound from soft to loud that no other handbell can replicate • the character of every set is recorded and kept so that future additions may be perfectly blended • smooth clapper mechanism means you only hear the bell, not any off sounds coming from the mechanisms- they only produce clear, rich ringtones!

Jeffers Handbell Supply & Alfred Handbell

Proudly Present New Music for Handbells, Handchimes and More
FOR SPRING AND EASTER 2023!

Alfred Handbell

A Division of Jubilate Music Group

The Day of Resurrection (arr. Kurt Meyer)

This Easter standard, arranged for bells with optional handchimes, trumpet, and keyboard will be a highlight of your Easter services. This solid traditional arrangement has a contrasting middle verse using chimes and some surprising harmonies in the final verse. Piano and trumpet parts are available as a free download from the publisher's website.

JMG1244 3-5 octaves with Handchimes and Optional Trumpet and Keyboard Level 3\$5.95

The God of Abraham Praise (arr. Mitchell Eithun)

The sturdy hymn tune LEONI is given a brilliant treatment in this setting. Lots of techniques (LV, shakes, thumb damps) add interest, while handchimes (optional 3-5 octaves) add color. Experienced Level 1 groups will welcome the added interest this piece provides.

JMG1245 3-5 Octaves with Optional Handchimes, Level 1\$5.95

Halle, Halle, Halle (arr. Benjamin A. Tucker)

This traditional Caribbean song has been arranged with the joyful spirit inherent in the song. It starts with mallet rolls and soon moves into the familiar syncopated melody. The hymn tune LASST UNS ERFREUEN appears in chimes (optional 2-3 octaves) against a contrasting rhythmic malletted bass, then continues with a return of the original theme.

JMG1246 3-5 octaves with Optional Handchimes, Level 4\$5.95

Hey Jude (arr. Rick Holdsworth)

This Beatles tune will be fun to add to your upcoming concerts. The arrangement is true to the original, including an ending with an option for your group or audience to join in singing "na-na-na" and add clapping.

JMG1247 4-5 Octaves with Optional Handchimes and Cymbells, Level 2\$6.25

I Come with Joy (arr. Anna Laura Page)

Two tunes, DOVE OF PEACE and LAND OF REST are combined in this lovely setting for communion or general use. Mallets begin and add a percussive touch to the 6/8 rhythm throughout. Optional handchimes take the melody in the middle with bells providing harmony. The two tunes change places at times, ending with *I Come With Joy*, a fitting response to communion.

JMG1248 3-5 Octaves with Optional Handchimes, Level 2\$5.95

Jesus Is a Rock in a Weary Land (arr. Mark Arnold)

This creative and fun arrangement of the familiar spiritual begins with mallet clicks that set the tone for the piece. The melody appears over a rhythmically malletted bass line with a bit of a blues or jazzy feel. Lots of syncopations make this a learning opportunity for most Level 2 groups, but the end result will be a fun piece for concert or worship.

JMG1249 3-5 Octaves with Optional Percussion, Level 2\$5.95

Morning Has Broken (arr. Sondra K. Tucker)

Singing bells with treble chords in quartal harmony evoke the feeling of dawn. The tune BUNESSAN is then presented with arpeggiated accompaniment, and some surprising harmonic twists lend new color to the traditional sound. Verses build into a final maestoso before the singing bells take over, then the piece ends as it began. This arrangement is a lovely offering for worship any time of year.

JMG1250 3-5 octaves with Optional Handchimes, Level 2\$5.95

Sweet Hour of Prayer (arr. Linda Lamb)

Beginning groups will enjoy playing this simple yet lovely arrangement of the Bradbury tune. LV and echo techniques are used effectively, and a verse of *O Master, Let Me Walk with Thee* appears in the middle for contrast. Be sure to bring out the melody that sometimes is surrounded by harmony notes. Use for prelude, offertory, or communion.

JMG1251 2-3 Octaves, Level 1\$5.95

DAMAGES/ERRORS

Please notify us immediately upon receipt of any damage or error in the order. Retain all damaged merchandise and packaging material for inspection.

CREDIT POLICY

We can establish open account orders for churches and schools. Please pay from the invoice, which is included in the package. We reserve the right to request credit references and to report credit information to credit bureaus. Terms are net 30 days. Accounts over 30 days will have finance charges of 1.5% per month (18% APR) added to the bill (min\$1.00 per month). In addition, if any account remains unpaid after 60 days from the invoice date, we shall hold future orders until the account is again current. Invoices not paid within agreed upon terms may be subject to a reversal of all discounts. Individuals and new customers, please send a check or money order. We also accept Visa, MasterCard, Discover and American Express.

SALES TAX

We reserve the right to add sales tax in all states without prior notice. Recent court decisions are allowing more states to require retailers to collect sales taxes. If your organization is exempt from sales tax in your state please provide us with your sales tax exemption form. Just providing an exempt number is not sufficient. This will allow us to update your account on our systems. If we do not have a sales tax exemption form on file we may be required to charge sales tax. If we do this tax will not be refundable.

We are currently required to collect sales tax for many states, and several do not have an exemption to sales tax for religious organizations. If you qualify for an exemption you may submit your tax exempt forms in any of the following ways:

Email: taxform@jhsbell.com

Fax: 803.781.3020 or 803.732.4435

Mail to: Jeffers Handbell Supply, PO Box 1728, Irmo, SC 29063-1728

Upload: HandbellWorld.com/TaxForm. If you prefer you may log into your HandbellWorld e-account and upload the file so it will be saved under your login.

MUSIC POLICY

The Jeffers Retail Music Department has one of the world's largest inventories of handbell music, containing the work of more than 100 publishers. Some of these companies print just a few titles; others print several releases each year. We stock all of this music to provide you with the fastest service possible; our goal is to get your order on its way in 24-48 hours. When we receive your call early in the day, your order is often shipped that same evening.

Music on Approval

Many directors need help selecting music. We are delighted to help with our Music on Approval program. Order the titles you would like to see. Review them and decide to keep, order more or return them. We ask that you include a copy of the invoice with all returns and pay for shipping both ways.

Music Discount

Most music up to 40% off retail price. There are no discounts on CDs, DVDs or videos. Equipment, supplies, software, and instruments are not subject to music discount.
