

Christmas 2023 Gift Guide

Each beautifully handcrafted wooden charcuterie board is created with all natural cherry wood, and with handbell enthusiasts in mind. This stunning and unique accent for your kitchen provides plenty of space for cutting, slicing, dicing, and chopping meats, vegetables, cheese, and more.

For an even more unique look, this board can be sanded and stained to any tone you'd like!

For use with food it is recommended to hand wash only & apply a food grade mineral oil.
